

Center of Excellence for Congenital Heart Disease specialists presentations at international scientific conferences year 2014-2019

1. Lauciuvienė L., Rudienė V., Ramašauskaitė D., Arlauskienė A., Valevičienė N., Palionis D., Kontrimavičiūtė E., Gumbienė L. Marfan syndrome (MFS) and Pregnancy“. 4th Meeting on Intensive and Invasive Cardiology, Vilnius, Lithuania 2014, May 30th - 31st.
2. Versockas K. Primary Glenn for a neonate: appropriate decision? III National Congress of Cardiac surgery “Through integration towards success”. August 29-30, 2014, Astana, Kazakhstan.
3. Sudikiene R. Ross operation: late results. III National Congress of Cardiac surgery “Through integration towards success”. August 29-30, 2014, Astana, Kazakhstan.
4. Malickaite R. Heart transplant rejection: can noninvasive monitoring be useful? III National Congress of Cardiac surgery “Through integration towards success”. August 29-30, 2014, Astana, Kazakhstan.
5. Bezuška L. Outcome in Patients with Functional Single Ventricle Undergoing Fontan Completion younger than 3 years of age. 24th Annual World Congress of the World Society of Cardio-Thoracic Surgeons. 6-10 September 2014, Geneva, Switzerland.
6. Tarutis V. Pradžia ir nueitas kelias. Tarptautinė konferencija, skirta pirmosios atviros širdies operacijos Lietuvoje 50-mečiui „Širdies chirurgijos progresas Lietuvoje ir aplink ją“. 2014 m. spalio 1-2 d. Vilnius
7. Tarutis V. Vieno skilvelio kraujotaką sukuriančios širdies operacijos. Tarptautinė konferencija, skirta pirmosios atviros širdies operacijos Lietuvoje 50-mečiui „Širdies chirurgijos progresas Lietuvoje ir aplink ją“. 2014 m. spalio 1-2 d. Vilnius.
8. Muthialu N., Bezuska L., Nakao M., Elliott M.J., Tsang V. Pulmonary artery sling repair: single-centre experience with analysis of risk factors. *Interact CardioVasc Thorac Surg* 2014, 19 (suppl 1):S34. (28th Annual Meeting of the European Association for Cardio-Thoracic Surgery 11–15 October 2014).
9. Sudikienė R. ECPM (Italija) 2014 - stendinis pranešimas “The retrospective study of preterm infants with a patent ductus arteriosus in the tertiary centre of Lithuania”.
10. Rudiene V., Zakaraite D., Glaveckaite S., Latvėniene L., Gumbiene L. The fatal heart failure - a natural course of cor triatriatum sinister. 2nd World Congress on Acute Heart Failure, 23-26 May 2015, Sevilla, Spain
11. Gumbiene L. Adult congenital heart disease – Vilnius experience. 3rd Baltic Pediatric Congress, 19-21 August 2015, Riga Latvia (kviestinė paskaita).
12. Cerniauskiene V, Preiksaitiene E, Gumbiene L. Cerebrocostomandibular syndrome and pulmonary hypertension. 3rd Baltic Pediatric Congress, 19-21 August 2015, Riga Latvia.
13. Bezuška L. 30-year experience of Fontan surgery: a single-centre's data. 25th World Congress of the World Society of Cardio-Thoracic Surgeons. 19-22 September 2015, Edinburgh, Scotland.
14. Sudikienė R. EAP (Norvegija) 2015 – stendinis pranešimas „Duchenne muscular dystrophy presenting with a rapid progress of dilated cardiomyopathy”
15. Sudikienė R. EAP (Norvegija) 2015 – stendinis pranešimas “Renal involvement in female twins with Wilson’s disease”.
16. Gumbiene L., Rudiene V., Dzenkeviciute V., Ramasauskaite D. Pulmonary artery hypertension due to congenital heart disease – three high risk pregnancies with successful outcomes. The 4th International Congress on Cardiac Problems in

- Pregnancy (CPP2016), 27 February – 1 March 2016, Las Vegas, Nevada, USA : program. Geneva : Paragon Group, 2016. p. 118-119.
17. Jancauskaite D., Rudiene V., Gumbiene L. A case of differential clubbing in adult patient with patent ductus arteriosus and ventricular septal defect. 11th Bialystok International Medical Congress for Young Scientists. 3-4th May, 2016, Bialystok, Poland.
 18. Rudiene V., Petrikonyte D., Petrulioniene Z., Sirvydis V.J., Gumbienė L. Complications and causes of death in patients with Eisenmenger syndrome in Vilnius cohort. 26th Nordic-Baltic Congress of Cardiology. Abstracts from 26th Nordic-Baltic Congress of Cardiology, June 1-3, 2017, Vilnius, Lithuania. (poster presentation). *Medicina* 2017, 53(suppl 1):72-72. (poster presentation).
 19. Gumbienė L. The changing landscape of pulmonary arterial hypertension: need for earlier and improved diagnosis and treatment. 26th Nordic-Baltic Congress of Cardiology. 1- 3 June 2017, Vilnius, Lithuania. (oral presentation).
 20. Gumbienė L., Miliauskas S., Skride A., Altraja A., Anton L., Kaleinikovaite L., Tammekivi K., Ereminiene E., Rudaitis A. Management of pulmonary artery hypertension and chronic thromboembolic pulmonary hypertension in the Baltic states. 26th Nordic-Baltic Congress of Cardiology. 1- 3 June 2017, Vilnius 2017, Vilnius, Lithuania. (poster presentation).
 21. Jonas K., Sudikienė R., Lebetkevicius V., Tarutis V. 39 years of experience of treating transposition of the great arteries in single low center. 7th World Congress of Pediatric Cardiology and Cardiac Surgery, 16-21 July, 2017, Barcelona, Spain. Abstracts book, p.888. Stendinis pranešimas.
 22. Rudiene V., Jancauskaite D., Jakutis G., Gumbiene L. Assessment of operability and outcomes of patients with residual pulmonary hypertension after the correction of congenital heart defects. 5th Scientific seminar on PH – „Connecting expertise in a rare disease in 2017”. Marin’s Klooter in Leuven on 14-15th of December 2017.
 23. Sudikienė R. Tarptautinė konferencija “Childhood hypertension - a cross talk between pediatric cardiology and nephrology” (Lietuva) 2017 - žodinis pranešimas “Early vascular aging in congenital heart diseases”.
 24. Sudikienė R. Septintasis pasaulinis vaikų kardiologijos ir širdies chirurgijos kongresas (Ispanija) 2017 - stendinis pranešimas „A case report of truncus arteriosus with interrupted aortic arch from newborn to adult age”.
 25. Jonas K., Jakutis V., Sudikienė R., Lebetkevičius V., Tarutis V. Transposition of the great arteries: the evolution of treatment in a single low-case. Fourth international conference dedicated to the 100th Anniversary of the Restoration of Lithuania’s Independence „Lithuania evolutionary medicine: health and diseases in changing environment“, 5–10 June 2018, Vilnius Lithuania. *Acta Medica Lituanica* 2018, 25 (Suppl.):32.
 26. Rudienė V., Glaveckaitė S., Zakaraitė D., Gumbienė L., Aidietis A. Cor triatriatum sinistrum with obstruction: a rare presentation in an adult. Fourth international conference dedicated to the 100th Anniversary of the Restoration of Lithuania’s Independence „Lithuania evolutionary medicine: health and diseases in changing environment“, 5–10 June 2018, Vilnius Lithuania. *Acta Medica Lituanica* 2018, 25 (Suppl.):75.
 27. Jonas K., Sudikienė R., Lebetkevicius V., Tarutis V. Surgical treatment of ALCAPA in Vilnius Heart Surgery centre. IX-oji tarptautinė mokslinė konferencija „Retų ligų gydymo inovacijos“ 2018 m. kovo 16 d. Vilnius, Lietuva. *Laboratorinė medicina* 2018, 1(77):116.

28. Rudienė V., Jančiauskaitė D., Lankutienė L., Ramašauskaitė D., Gumbienė L. The outcomes of nine high risk pregnancies in women with pulmonary arterial hypertension due to congenital heart disease. EuroGUCh 2018, the 11th Advanced Symposium on Adult Congenital Heart Disease, Munster, Germany, 20-21 April, 2018.
29. Sudikienė R. 52^{ame} kasmetiniame tarptautiniame vaikų Europos kardiologų ir įgimtų širdies ydų Kongrese (Graikija) 2018-05 žodinis pranešimas "Initial data of international study of early vascular aging in children with coarctation of aorta".
30. Sendžikaitė S., Sudikienė R., Litwin M., Rybak A., Obrycki L., Lubaua I., Silis P., Jankauskienė A. Arterial hypertension and markers of early vascular aging in children with coarctation of the aorta. Fourth international conference dedicated to the 100th Anniversary of the Restoration of Lithuania's Independence „Lithuania evolutionary medicine: health and diseases in changing environment“, 5–10 June 2018, Vilnius Lithuania. Acta Medica Lituanica 2018, 25 (Suppl.):39-40.
31. Sudikienė R. Ketvirtoje tarptautinėje konferencijoje „Evoliucinė medicina: sveikata ir ligos besikeičiančioje aplinkoje“ (Lietuva) 2018-06 žodinis pranešimas "Arterial hypertension and markers of early vascular aging in children with coarctation of the aorta".
32. Sudikienė R. 7toje Vilnius-Gdanskas Hipertenzijos konferencijoje žodinis pranešimas 2018: "Outcome of the aorta coarctation in infants"
33. Sudikienė R. Tarptautiniame vaikų ir paauglių hipertenzijos Kongrese (Ispanija) 2018 - žodinis pranešimas „Insights into early vascular aging in children with coarctation of aorta“.
34. Jonas K., Jakutis V., Sudikienė R., Lebetkevičius V., Tarutis V. Coronary anomalies and transposition of the great arteries in a low-volume centre. 28th Annual Congress of the World Society of Cardiovascular and Thoracic Surgeons. Ljubljana, Slovenia, 14-15 September 2018. Programme and book of abstracts, p. 81-82.
35. Gumbiene L. Management of pregnancy in PH – Vilnius experience. 2nd Baltic and 3rd Lithuanian Pulmonary Hypertension Conference, 19 October 2018, Vilnius, Lithuania.
36. Sudikienė R. Tarptautiniame antrajame vaikų ir paauglių hipertenzijos Kongrese (Lenkija) 2019 - žodinis pranešimas „Prevalence and hemodynamic phenotype of arterial hypertension, and left ventricular hypertrophy in children after coarctation repair“.
37. Sudikienė R. 53^{ame} kasmetiniame tarptautiniame vaikų Europos kardiologų ir įgimtų širdies ydų Kongrese (Ispanija) 2019-05 žodinis pranešimas „Prevalence of different forms of arterial hypertension and left ventricular hypertrophy in children after coarctation repair“.
38. Sudikienė R. " Management of subcutaneous Prostacyclin. Experience in Lithuania" Paediatric expert meeting. Bratislava. 2019.
39. Sudikienė R. " Experience in Lithuania". 13th PH Academy Vienna 2019.
40. Čėsna S. standinis pranešimas "Treatment difficulties in young adults with residual arterial hypertension after early aortic coarctation repair" EUROGUCh 2019, Zagrebas, Kroatija.

Participation in international research projects of the EU countries

- International Prospective Data Collection Study for the Treatment of Specific Pulmonary Hypertension “COMPERA” since 2018, September;
- Efficacy and safety of oral non-vitamin K antagonists for the prevention of thromboembolic complications in persons with congenital heart defects - NOTE register since 2016;
- European Society of Cardiology (ESC) Adult Congenital Heart Defects Working Group Study for Central and Eastern Europe since 2018;
- EACTS Database for Congenital Heart Disease Surgery;
- Cooperation with Astana (Kazakhstan) Cardiac Surgery Center for CHD surgeries and heart transplants.
- Registry of pregnancy and cardiac disease ROPAC: 2009-2017.
- ESC monitoring program - „Adult CHD“: 2003-2004
